

## 159 projects from 15 countries will participate in the Pitch sessions for Platforms and Producers at Iberseries & Platino Industria

- **3Pas Studios, Ánima, Amazon Studios | Prime Video, BBC Studios, Dopamine, Gaumont, Paramount, Secuoya Studios Stories, Sony Pictures International Productions, Sony Pictures Television, Telemundo Studios and Warner Bros. Discovery**, are the twelve leading global companies that will evaluate the selected audiovisual projects from the various Pitch sessions.
- **1,219 projects** from 22 countries were submitted. The **159 selected projects** represent **Argentina, Brazil, Chile, Colombia, South Korea, Ecuador, Spain, the United States, France, Italy, Mexico, Peru, Portugal, the United Kingdom, and Uruguay**.
- The creators of the selected projects will have the opportunity to **present their pitches in person** to representatives from the participating **companies, platforms, and production studios**. **Iberseries & Platino Industria**, the leading international gathering for the Ibero-American audiovisual industry, will hold its **fourth edition** from **October 1 to 4** at **Matadero Madrid**. The event is organized by **EGEDA** and **Fundación Secuoya**, with the collaboration of **FIPCA**.

Madrid, September 4, 2024 **Iberseries & Platino Industria** has announced the projects that will participate in the **Pitch sessions for Platforms and Producers** at its **fourth edition**, which will take place from **October 1 to 4** at **Matadero Madrid**. The event, organized by **EGEDA** and **Fundación Secuoya** in collaboration with **FIPCA**, is supported by the **Community of Madrid**, the **Madrid City Council**, **ICEX Spain Export and Investment**, and is sponsored by the **Madrid Film Office** and **Film Madrid**, as well as other partner organisations.

The goal of the **Pitch sessions for Platforms and Producers** is to connect audiovisual projects that are in the development, production, work-in-progress, financing gap or packaging stages with participating companies, potential producers, buyers, investors, and industry executives, to secure support, funding, collaboration, or sales.

The platforms and production companies that will evaluate the projects, depending on the specific pitch session, include **twelve leading global companies**, such as **3Pas Studios, Ánima, Amazon Studios | Prime Video, BBC Studios, Dopamine, Gaumont, Paramount, Secuoya Studios Stories, Sony Pictures International Productions, Sony Pictures Television, Telemundo Studios, and Warner Bros. Discovery**.

The **Pitch sessions** have once again generated great interest within the industry, with **over 1,200 projects** submitted across **15 published calls** from **22** producing or co-producing countries.

From all the registered **projects**, **159** have been selected, representing **15 countries**: **Argentina, Brazil, Chile, Colombia, South Korea, Ecuador, Spain, the United States, France, Italy, Mexico, Peru, Portugal, the United Kingdom, and Uruguay**.

The creators of the selected projects will have the opportunity to **pitch in person** to representatives from the participating **companies, platforms, and production studios**.
