

77 projects from 17 countries will participate in the Platform and Producer Pitch Sessions of Iberseries & Platino Industria

***3Pas Studios, Ánima, Amazon MGM Studios, BH5 Studios, Dopamine, Gaumont and Warner Bros. Discovery** are the leading global companies that will receive the selected audiovisual projects for evaluation from the various Pitch calls.*

*The **77 selected projects** represent **Argentina, Brazil, Chile, Colombia, Spain, USA, Mexico, Puerto Rico, Portugal, and the United Kingdom** as leading producer countries, and **France, Panama, Paraguay, Peru, Uruguay, Italy and Ecuador** as co-producing countries.*

Madrid, September 17, 2025. **Iberseries & Platino Industria** announces the **projects** that will participate in the **Platform and Producer Pitch Sessions** of its fifth edition, to be held from **September 30 to October 3 at Matadero Madrid**.

The event is promoted by **EGEDA** and **Fundación Secuoya**, in collaboration with **FIPCA**, with the support of the **Community of Madrid** and the **City Council of Madrid**. Additionally, it is sponsored by **Madrid Film Office** and **Film Madrid**, and has the collaboration of various entities, among them, **ICEX Spain Trade and Investment**.

The Pitch Sessions will connect these projects with leading international companies such as **3Pas Studios, Ánima, Amazon MGM Studios, BH5 Studios, Dopamine, Gaumont and Warner Bros. Discovery**, who will evaluate proposals at different stages of development, production, *work in progress*, financing gap or packaging.

The aim of this activity is to bring Ibero-American creators, directors, producers, and showrunners closer to **potential strategic partners, investors, and buyers**, promoting **international collaboration, financing, and distribution** of fiction, animation, and documentary feature films as well as series, miniseries, superseries, and non-fiction formats.

The selected projects will be presented **in person and in private pitch sessions** before key industry executives, reinforcing the role of Iberseries & Platino Industria as a meeting platform for Ibero-American and global audiovisual professionals.

The Pitch Sessions have once again generated great interest from the industry, with more than **630 projects** registered for all published calls, coming from over 20 producing or co-producing countries.

From all the projects registered, **77 have been selected**, representing **17 countries: Argentina, Brazil, Chile, Colombia, Spain, USA, Mexico, Puerto Rico, Portugal, and the**

United Kingdom as the main **producer** countries, and **France, Panama, Paraguay, Peru, Uruguay, Italy, and Ecuador** as **co-producer** countries.

The **projects selected for the Platform and Producer Pitch Sessions** are the following:
